

Smiths Interconnect Americas, Inc. FAQ's

WHAT IS CHANGING?

The legal entities of Interconnect Devices, Inc. (IDI) and Smiths Interconnect Microwave Components, Inc. (SIMC), which represents the EMC Technology, Florida RF Labs, and Lorch brands will legally become Smiths Interconnect Americas, Inc. (SIA, Inc.).

WHY IS IT CHANGING?

The legal consolidation will simplify interactions with Smiths Interconnect by providing a single point of contact for sales and other key business functions.

WHEN IS THIS EFFECTIVE?

August 1, 2017

WILL SMITHS INTERCONNECT ACCEPT PURCHASE ORDERS TO SMITHS INTERCONNECT AMERICAS, INC. PRIOR TO AUGUST 1?

We request customers avoid sending purchase orders to Smiths Interconnect Americas, Inc. prior to August 1st. In the event this is not possible, we will work with customers on a case by case basis to meet your requirements with as little disruption as possible.

WILL SMITHS INTERCONNECT ACCEPT PURCHASE ORDERS TO THE HISTORIC ENTITIES AFTER AUGUST 1?

We request customers avoid sending purchase orders to IDI, Smiths Interconnect Microwave Components, EMC Technology, Florida RF Labs or Lorch after August 1st. In the event this is not possible, we will work with customers on a case by case basis to meet your requirements with as little disruption as possible.

HOW WILL ORDERS PLACED PRIOR TO AUGUST 1 BE AFFECTED?

Those orders will be honored and shipped as scheduled. However, all financial remittance information should be updated per the attached notice by August 1, 2017.

WILL MY SMITHS INTERCONNECT POINTS OF CONTACT CHANGE?

No. A primary goal of the legal entity merger is to simplify interactions with Smiths Interconnect. Your points of contact do not change.

DOES REMITTANCE INFORMATION CHANGE?

Yes. Updated remittance information is attached.

WILL CAGE CODES CHANGE?

No.

WHAT IS THE NEW FEIN | FEDERAL EMPLOYEMENT IDENTIFICATION NUMBER?

The FIEN for Smiths Interconnect Americas, Inc. is 20-8764590.

ARE FREIGHT FORWARDERS BEING NOTIFIED OF THE CHANGE?

No. As freight forwarders are not contracted by Smiths Interconnect, they will not be notified of the change by us. Customers are encouraged to advise their respective freight forwarders of the new entity name prior to August 1, 2017.

WILL THE SABRITEC AND HYPERTRONICS LEGAL ENTITIES BE CONSOLIDATED AS WELL?

Yes. Hypertronics Corporation and Sabritec Inc. will be incorporated into SIA, Inc. as a second phase. Further information will be provided in due course.

WILL THE SMITHS MICROWAVE SUBSYSTEMS ENTITIES BE CONSOLIDATED INTO THE NEW LEGAL ENTITY?

No. The Microwave Subsystems legal entities of TRAK Microwave Corporation, Millitech Inc., and TECOM Industries Inc., maintain a special security agreement (SSA) with the US Government and therefore cannot be merged with SIA, Inc.

However, we do plan to consolidate these into a separate entity as Smiths Interconnect, Inc. (SII). Further information on the associated process and timing will be provided in due course.
